**SHOW &  
SALE**

**APRIL 14** 1962

**OSKALOOSA, IOWA**

**(SOUTHERN IOWA FAIRGROUNDS)**

# *Why buy Shorthorn bulls?*

- 1. Best for crossbreeding.** Louisiana State University tests show Shorthorn crosses with Angus and Herefords were superior to the Angus-Hereford cross in weaning weight, rate of gain, and carcass grade.
- 2. Better carcasses.** In the 1960 Indianapolis carcass contest, in comparing lightweight entries, Shorthorns produced the greatest pounds of lean cuts and a higher carcass value.
- 3. More valuable calf crops.** A summary of 30 feeder sales in Virginia in 1960 revealed that Shorthorn calves grossed \$10.67 a head more than calves of other breeds.
- 4. Superior gaining ability.** Calves from Shorthorn bulls scored the highest average gains for eight straight years in the large Front Royal, Virginia, performance tests.

The consignors to the Central States Sale are known for their quality productions. The two heifers shown here are daughters of Marellbar Prefix, owned by Gilbert Kardel, Walcott, Iowa.

## THE CENTRAL STATES SALE

### *“Sale of the Money Makers”*

OSKALOOSA, IOWA — APRIL 14

#### 24 BULLS

Rugged, top quality  
sire prospects

#### 14 FEMALES

An excellent set of bred  
and open heifers

There is a reason why this sale has become known as “The Sale Of the Money Makers.” It is because the Central States Shorthorns and Polled Shorthorns are offered in “working” condition . . . ready to go into your herd and make money. You are not paying for fancy dress but for bulls and females in strong breeding condition and of dependable bloodlines. Be sure to attend this sale.

Look good, don't they? These heifers are typical of the kind produced in O. L. Seitsinger & Son herd, Rose Hill, Iowa, consignors of two bulls and a heifer to this sale.

## GENERAL INFORMATION

**TIME** — Sale will be held Saturday, April 14. Show will be held at 9 a.m.; Sale will start at 12:30 p.m.

**LOCATION** — Southern Iowa Fairgrounds, northwest section of Oskaloosa, close to primary road 92 and 163.

**TERMS** — Terms of this sale are cash unless other arrangements have been made with consignor from which you purchase and the sale manager is notified.

**GUARANTEE** — All cattle are sold subject to a 60-day re-test for tuberculosis if kept isolated, unless going into a Federal Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an accredited herd. The cattle have been tested for bangs within 30 days or have been calfhood vaccinated unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller, and, if after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of the sale are guaranteed to be breeders. Heifers should not be served by old or heavy bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

**LIABILITY** — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the sellers accept any liability for injuries that may occur. All persons attend this sale at their own risk.

**LUNCH** — Lunch will be served on the grounds.

**AUCTIONEERS** — Tom Sherlock, Harvey Neiderhisar, and Adrain Meierotto.

**SALE MANAGER** — Bill Stunkel, The Shorthorn World, 16 South Locust Street, Aurora, Ill.

**REGISTRATION CERTIFICATE** — A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each calf sold beside its dam and for each unborn calf sold in dam.

**SERGEANT'S PRIDE X** — One of the good bulls of the breed. One of his first sons was champion at the Missouri Polled Shorthorn Sale. The other one in the same sale was second high selling and this bull sired the high indexing steer and bull in the first Missouri performance testing for his new owner. This is one of many achievements that Pride's calves have done for his owners. He is in good health and active as a good yearling. We wouldn't offer him for sale but we have a large number of his daughters and granddaughters.

**HELMOR PURVIS 361 . . .** This great breeding son of Cruggleton Purvis made an outstanding record in the Whitehall Farm herd, Poplar Grove, Ill. Lot 2 is a proven breeding son of this improver.
